Looking for staff with the right language skills to join your team for the **summer 2020**?

Ready to extend your search for talent to skilled, qualified and eager **jobseekers from all over Europe**?

Join us at **Seize the Summer with EURES 2020**, the 4th edition of an exclusively online European job day dedicated to the HORECA and Tourism sector, organized by **EURES, the European jobs network**, where we aim to gather employers from Southern European countries (Portugal, Spain, France, Italy, Greece, Malta, Cyprus, Slovenia and Croatia) and jobseekers from all over Europe.

Summer jobs and **traineeships** are the main focus, but also long-term jobs are welcome.

Participation is free of charge!

Who will you find there?

Tourist & hotel entertainers, waiters, bartenders, cooks, hotel receptionists and tour drivers, among other profiles, both recent graduates and experienced, with the cultural background and language skills you need. The event will be promoted in all EU/EEA countries, from North to South, East to West. We expect to have **at least 2,000 online participants** joining this Seize the Summer edition.

HOW TO PARTICIPATE?

You may, **without leaving your office**:

- **post your jobs or internships / graduate programmes** and have them promoted all over Europe (with a focus on those languages / countries you're most interested in);
- **have an exhibitor profile**, which may include a **video** introducing your company & recruitment needs;
- **schedule and conduct one-to-one online recruitment interviews** with pre-selected applicants;
- explore spontaneous contacts through one-to-one **live chat** with online jobseekers on the day.

Technical support & assistance with matching will be there for you **before, during & after** the event.
