

Locksmith/Electrician (m/f)

About the company:

We are an innovative company in the recycling industry and are looking for to strengthen our production team, a full-time locksmith (m/f) and electrician (m/f) in Osnabrück.

We are also happy to offer experienced applicants from abroad a chance.

Tasks:

- Operation and monitoring of all machines and plant components
- Analysis and elimination of all electrotechnical faults
- Maintenance and repair work throughout the plant
- Work is organized in a three-shift-model

Requirements:

- Work experience as locksmith (m/f) or electrician (m/f)
- Experience in the maintenance of machines and systems
- Experience in the field of metal or electrics

We offer:

- Good working atmosphere
- above-scale payment (starting from appx. 2.900€ gross/month)
- fringe benefits
- with good performance, long-term employment in our company

For applicants from abroad:

Are you from Bulgaria or Greece? We can offer a first conversation in your home country. Outside these countries we can first call each other after you have sent us your application by E-mail. Please send your application in English (don't worry, it doesn't have to be perfect!)

We are happy to help with the first steps in Germany (finding an apartment, dealing with authorities)

Important to us are the knowledge of the English language for the first communication. You already speak a little German? Perfect!
